Breakfast, lunch and dinner are provided daily. Snacks are also provided during the day.

Recorders/Notebooks

It is recommended that students bring recorders and notebooks on the course. Put your name on these so that they do not get mixed up. Note: Recorders may only be used as approved

Musical Instruments

Students are advised to bring the appropriate material required for maintaining their instruments e.g. spare strings, bore oil for flutes etc. Also, students are encouraged to bring any other instruments they can play to get the most out of the course. Make sure your instruments are easily identifiable.

Clothes

Due to limited wardrobe space, students are requested to bring the minimum amount of clothes necessary. They should be clearly marked with the identity of the student. Students should also bring clothes hangers and some suitable clothes for use in concerts.

Linen/Bedclothes

Students must bring their own pillows and duvets or sleeping bags, as these are not supplied at the summer school. Students must also bring their own towels, soap etc.

Student Belongings

We would like to advise students to leave at home personal items of value or items that are easily broken that are not essential for the summer school, as *Meitheal Summer School* takes no responsibility for student belongings
